

FENCES

I. WHEN IS A BUILDING PERMIT REQUIRED FOR A FENCE?

Permits are not required for all fence-type structures in excess of thirty-two inches above grade and not over 6 feet in height and accessory to one-, two- and three- family dwellings. However, when exempted fences are located in a Historic District, an application must be made for a Certificate of Appropriateness from the Historic Conservation Board. Please note that permits are not required for fences in Office, Commercial and Manufacturing districts, when the fence height is 6 feet or less. A permit is required for all fences that exceed 6 feet in height, regardless of zoning district.

II. WHAT CODES/REGULATIONS ARE APPLICABLE?

All work performed must be in accordance with the Cincinnati Zoning Code, the Cincinnati Building Code, Ohio Building Code, Residential Code of Ohio and all other applicable laws and ordinances.
